

Milwaukee Lead/Asbestos Information Center, Inc presents:

Lead Safe Renovator Training
March 17, 2010

Location: Whitewater
-Cravath Lakefront Center
341 S Fremont Street

Those encouraged to attend this class include: renovation contractors, those repainting or renovating where lead-based paint may be encountered (pre-1978 buildings), maintenance workers, building supervisors and landlords, homeowners who are planning to remodel, and others interested in learning how to work in a Lead Safe manner.

****This class meets the EPA new criteria for the policy that is coming into effect April 2010.****

In class:

- ✓ Learn proper Lead Safe setup, work practices, and cleaning on renovation jobs
- ✓ Learn about the Lead Paint pamphlet that renovators are **REQUIRED** to hand out
- ✓ Learn about Government programs that require Lead trained contractors

Important Reminder: *****One person per crew will need to complete this course for any renovations conducted after April 22 of 2010.*****

Class Fee: \$260

****Payment is due 10 days prior to class ****
