# General Information

## Parks & Recreation Survey

The Parks and Recreation Department wants to hear from you! For regular participants in our programs we typically give you the opportunity to provide data regarding the experience you or your child had in that specific program. This spring we want to hear from you on a variety of issues. We are in the progress of developing a comprehensive parks and recreation services survey that will ask for feedback on park

facilities, trails, recreation programs and more. It is our hope that the data received will provide the department feedback for potential improvements, growth, and direction. The survey will be available at the Whitewater Municipal Building, Seniors in the Park, and online by visiting the Parks and Recreation Department/Recent News. It is anticipated that the survey will be available by April 18th.

Proposed Site Plan

Treyton Kilar, age 6, was killed in a senseless car crash by an alleged drunk driver on September 2, 2010. The Whitewater community has united together in an effort to build the Treyton Kilar "Field of Dreams" in his honor! Treyton's dream was to play for the Brewers one day. He spent countless hours practicing at home and on teams through the Whitewater Parks and Recreation Department. Although his dreams were shattered by a senseless tragedy, our hope is to provide our youth an opportunity to achieve their dreams on a field in his memory...as he watches over them...playing on his field of dreams...in heaven.

Plans for the field to be built in Starin Park include a brick backstop, artificial turf, concrete block dug-outs, bleachers, and a scoreboard. The potential to light the field and provide a restroom and concession building will be determined by available funding. The Rettler Corporation has donated services in the drafting of a conceptual plan while several community members work to fundraise for the project. For more details or updates, visit the City website.

Any individual or business interested in supporting this effort can do so through the Whitewater Community Foundation:  
 Treyton Kilar Field of Dreams  
 First Citizens State Bank  
 207 W Main Street  
 Whitewater, WI 53190

## Treyton Kilar Field of Dreams Family Fun Day

### Rental Policy Changes

A few changes to facility rental policies went into effect on January 1, 2011. These changes include that all private rental parties will no longer need to pick up keys for their event. A rental attendant will open the building for your reservation and then return to close the building following your event. Additionally, full payment will now be required at the time of your reservation. We hope that these changes increase the level of satisfaction with the rental program.

The Downtown Armory is located on North Street next to Brewery Hill Park and in close proximity to Downtown Whitewater and the Cravath Lakefront. This multipurpose, handicap accessible facility is able to accommodate a wide variety of activities and functions. With parking close by, the Downtown Armory is able to host anything from a small activity to a large event. The building contains a gym, dance studio, kitchen, and meeting room.

The Cravath Lakefront Community Building contains multi-purpose space with an adjacent kitchen to handle your next event. This accessible building comfortably holds groups of up to 100 people, with scenic views of Cravath Lake and located along the multi-use trail. This setting creates a great location for weddings, family reunions, and social gatherings.

The Starin Park Community Building contains multi-purpose space with an adjacent kitchen to handle your next event. This accessible building comfortably holds groups of up to 100 people. It provides a great venue for birthday parties, meetings, family reunions, and baptisms. The facility is also home to Seniors in the Park and has many of the amenities of home.

All picnic shelters available for rent have a maximum capacity of 100 guests with an open shelter and picnic area. With free off street parking available, all shelters are handicap accessible. Trippe Lake Shelter and both Starin Park Shelters are closely located to playgrounds and walking trails. The pictured Trippe Lake Shelter was constructed in 2009 and includes a small food prep area and restrooms.

# Answers to Common Firewood Questions

EAB Quarantine Counties & Approximate Locations of Infestation  
WI DATCP / September 2009

### What is a quarantine?

A legal restriction that prohibits the movement of articles that could spread a pest such as emerald ash borer.

DNR Wardens and other officials can issue citations for violations of firewood quarantines. State and federal fines up to \$1,000 apply.

### What firewood can be brought into a state park or forest?

For most parks and forests, allowable firewood is:

- Purchased or harvested within 25 miles of the campground where the wood will be burned,
- AND harvested in Wisconsin,
- AND NOT purchased, harvested or stored in a quarantined county of Wisconsin.

Dimensional and untreated lumber scraps, such as 2-by-4s, are allowable.

If the state park or forest campground is in an EAB-quarantined county listed above, firewood will be allowed in if it is from Wisconsin and from within 25 miles. However, campers are strongly encouraged to not move firewood because of the risk of transporting emerald ash borer or another forest pest.
