PUBLIC SERVICE ANNOUNCEMENT

SUBJECT: Downtown East Gateway Construction to Begin Week of June 16

Construction of the Downtown East Gateway project will begin the week of June 16. All downtown businesses will remain open through construction, which is expected to be complete by mid-September. This project will repair deteriorated underground infrastructure, improve bicycle and pedestrian access, address the awkward intersection north of the railroad tracks, and enhance the appearance of this important gateway to downtown.

The western project limit is the intersection of Main Street and Whitewater Street. The eastern project limits are the intersections of Main Street and Cherry Street, and Milwaukee Street and Wisconsin Street. The posted detour route is along Freemont Street, Starin Road, and Newcomb Street/STH 59. Weekly project updates will be available at www.whitewater-wi.gov.

Christopher McDonell
Assistant City Manager
