2014 Walworth County Clean Sweep Household Hazardous Waste & Pharmaceutical Collection Friday & Saturday October 3 & 4

Clean Sweep is dedicated to the collection & proper disposal of household hazardous waste products & pharmaceuticals.

Services are available to Walworth County household residents free-of-charge, and pre-registration is not required.

What is household hazardous waste?

It is the unusable portion of a household product containing volatile chemicals that are flammable, corrosive, explosive, reactive, toxic or radioactive. These products are identified by looking at labels, which are generally marked **CAUSTIC, ACID, DANGER, FLAMMABLE, WARNING, or POISON.** Product examples are listed on back.

Pharmaceutical Collection Guidelines

Clean Sweep accepts outdated or unwanted prescription drugs & over-the-counter items.

- ✓ Pharmaceuticals will be collected **ONLY** at the locations and times shown on this brochure.
- ✓ Leave medicines in their original containers. The patient's name may be crossed out.
- ✓ Place all medicines in a plastic bag(s), keeping them separate from other products brought to the program. The bag(s) may be transported in the passenger compartment of your vehicle.
- ✓ Participants will not have to provide their name – just the name of the municipality they live in.
