Downtown Whitewater, Inc. is a volunteer-driven organization spearheading community efforts to re-energize and enhance our historic downtown. We are community advocates and volunteers who share a passion for Whitewater. We bring people from all walks of life together to celebrate Whitewater's history and traditions, to care for our downtown neighborhood, and to inspire confidence and investments that are flowing toward an economically vibrant, engaging and exciting place in the heart of Whitewater – a place we love, a place we're proud to call home, and a place where future generations can grow and take pride in calling their own.
