

Notice

Hwy 12/CTH N Follow-Up Meeting

**Municipal Building Community Room
312 W. Whitewater Street
Whitewater, WI 53190**

Monday, September 30, 2019 at 5:00 p.m.

Wisconsin lawmakers and DOT representatives will hold a public meeting to further discuss the Highway 12/CTH N intersection in Whitewater. The group of lawmakers including Representative Don Vruwink, State Senator Janis Ringhand and State Senator Steve Nass will be in attendance with Wisconsin Department of Transportation (DOT) representatives.

Tentative Discussion Items:

1. Update of recent and future improvements
2. Review of other bypass intersections
3. Public comments

The public is welcome and encouraged to attend the meeting and share their thoughts and opinions. Light refreshments will be available.

The original meeting was held in Madison on August 20th to discuss issues involving the Highway 12/CTH N intersection. After that meeting, Wisconsin DOT had flashing yellow lights placed in this location in hopes to lessen confusion of when it may be safe for drivers to turn onto Highway 12. At the follow-up meeting there will be discussion how this has affected driving in the area and if there are additional items that can be done for the safety of all commuters.

It is possible that a quorum of commission or board members may attend this meeting. Even if a quorum is present, no commission or board business will be conducted at this meeting.

Anyone requiring special arrangements is asked to call the office of the City Manager/City Clerk at least 24 hours prior to the meeting.
