5. Discussion

a. COVID-19

- i. Mickelson shared updates from Walworth and Jefferson county and reminding the commission updated information can be found on the city website. Questions can be continued to be sent to the PR manager to help citizens find additional information as needed. Dawsey-Smith shared information about a Small Business Recovery grant. Schreiber shared that UW-Whitewater plans to be back in person in the fall with masks and the possibility of vaccines on campus.

b. Boards and Commissions

- i. Schreiber joined WSG on campus so can become the new representative or make sure a representative resumes attendance to this commission.
- ii. Mickelson shared that the commission members will be added to the website soon as we are waiting on some final details.

c. Polco

- i. Mickelson shared that currently, there are questions about COVID-19 and Food Trucks as requested by Brown. Brown asked if we wanted to ask questions about the dog park because people are interested in funding something so there can be running water. Mickelson said she would ask P&R Director about status of upgrades to the dog park as running water was once discussed.

d. Website

- i. Dawsey-Smith shared that Downtown Whitewater is currently doing a redesign to their website and to check the link to the organizations page on the city's portal.

b. TV Station

- i. No current changes or updates.

6. Share current event information

- a. Brown mentioned Whitewater Grocery Coop has a “ownerversary” in May as they were celebrating 6 years. This will be shared at the city market. The city market is starting outside and will get back to the regular layout in May. Mickelson mentioned the Arbor/Migratory Bird Day events coming up in April and May. Schanen asked about the downtown street lights being dim and that they were a safety concern. In discussion, it was mentioned new light fixtures were added and were less strong, maybe would be a bird city thing because they less bright for the birds and that LED bulbs last longer but may not be as bright. It was mentioned that the crossing signs and notifications for the center of the street should be placed out soon but maybe this was a DPW concern. Weberpal talked about the 40th anniversary of Seniors in the park in August. Dawsey-Smith mentioned the brand guide that will help organizations within Whitewater.

6. Adjournment

- a. The virtual meeting ended and signed off at 4:56pm. Mickelson emailed the commission and requested a motion for adjournment. Schanen motioned to adjourn and Schreiber 2nd the motion at 5p via email.
