WUSD Whitewater Aquatic Center Agreement Considerations
1/30/2023 Special Board Meeting

Positions	Summary/Details
As outlined in both prior Lease and Operational agreements, section 6.04, maintenance and repair obligations are the responsibility of the City.	It is the position of the School Board that the repairs, maintenance and replacements have not been made in accordance with the agreement and need to be made in order to move forward with negotiations/creation of a new agreement. Additionally, negotiations should include a presented budget including a fund plan for long term maintenance.
The District requests copies of all necessary inspections for record: mechanical, safety, chemical, electrical, etc.	Current slide inspection sticker notes 2003, please update and provide inspection records.
In order to make the necessary updates and changes to keep the Aquatic Center current and the type of facility that Whitewater wants/deserves, it is our position that we should bring this question to the public via a referendum.	Consider a referendum in Fall 2023.
Prior debt, \$413,429.00 is not the responsibility of the school district.	It is not a reasonable use of school funds to split the prior deficit connected with programming outcomes.
A new agreement will need changes in plans for who manages the new equipment moving forward.	It is the position of the School District that, due to lack of maintenance/repairs, the HVAC is not running at optimal efficiency. The school district recommends our staff take over the operation and maintenance of the HVAC systems.

Re: Whitewater Aquatic Center (WAC)

I. Brief Background

2001 The City of Whitewater Aquatic Center started operations. The public contributed \$3.5 million, the City of Whitewater contributed \$2 million (funded by a bond issuance) and the School District provided the land.

The facility was operated by a Board.

2003 Mercy Healthcare took over operating the facility.

2009 The WAC Board took over the operations of the facility.

2016 The 15 year operation agreement expired, and the City of Whitewater Park & Recreation Board took over operation of the WAC under a new agreement with the School District. The WAC facility operated at a deficit of over \$400,000 from 2016 – 2021 that was paid by the City. The School District is responsible for one half of that deficit but has not paid it to date.

2021 The 2016 Agreement expired. A new agreement was drafted, and the School Board passed a draft (attached hereto). The City Council passed the draft with some minor changes. The School Board never passed a revised agreement that included the changes requested by the City Council.

2022 The City staff believes that the 2021 agreement (that was never signed) does not sufficiently address the annual operating costs of the facility, the School Districts \$200,000 delinquent payment owed to the City or the capital costs that will be incurred in the next approximately 5 years necessary to keep the facility operating. The estimated costs of the renovations are HVAC \$1.3 million, Pool Floor \$250,000, Roof (possible) \$463,000, Play Features (unknown) and Boilers \$100,000.

II. The staff is requesting direction from the City Council on the following matters:

1. How to deal with the accumulated deficit. The WAC accumulated deficit was \$413,429 at the end of 2021. The School District's share was \$251,215. The City's share was \$162,214.

Staff recommendation: Request that the School District pay the deficit to the City by June 30, 2023.

2. Establish an annual date to determine any annual deficit and require an annual balancing payment

Staff recommendation: Establish a date

3. Create a capital expense funding plan

Staff recommendation: Establish an annual payment by City and the School District to a capital expense reserve fund that cannot be used for operational costs.

4. Decide whether the City should be responsible for the exterior maintenance and repair costs of the facility (roof, bricks, dedicated parking lot maintenance, etc.)

Staff recommendation: Request that the School District be responsible for these costs.

5. Annual operation cost contribution

Staff recommendation: Negotiate a more realistic annual contribution by the City and School District to operational expenses that will not cause an annual deficit and add a 2% annual increase.

6. Additional lease for school extra use

Staff recommendation: Require the School District to pay an additional amount for its program use as opposed to having equal contributions to operation costs by the City and School District.

Current vs. Future Implementation

The Marketing Memo by Eric Boettcher provides a detailed account of what has happened, what is working, and what can be improved. The table below summarizes what is working (+) vs. what is not working (-) on the left and the right provides changes going forward.

What is Working vs. is not Working	Changes Going Forward
+ Sharing announcements on the website	• Share how to subscribe to announcement guide with members
+ Actively using Facebook to share announcements, events & cancellations	• Content calendar to consistently share what followers are looking for (ex: Monday weekly fitness class roundup & Thursday open swim schedule) and more of what we offer (ex: Friday Feature & Wednesday Did You Know)
- Few testimonials (little user-generated content, only owned content)	• Aim for one testimonial per month to share on the 1st Tuesday of the month
- No member success story (little user-generated content, only owned content)	• Aim for one member success story to share on the 3rd Tuesday of the month • Give a t-shirt for sharing their story
- Only a Facebook channel	• Add Instagram for younger audience
- Not utilizing Google Business	• Post the monthly fitness schedule • Post events/programs as needed • Share review link with members
- Day passes are still down since pre COVID	• Incorporate day pass promotions into campaign schedule to increase volume
+ Schedule a tour, try the day for free	• Share this on social monthly/quarterly
+ Fitness classes included in membership	• This is a huge differentiator so promote it. Share a "did you know" every month on social media
+ Word-of-mouth	• Give each member ____ free guest passes each month/quarter/year • Define referral program - Refer a friend for an annual membership & get one month free
+ Improve Email Marketing Open Rates	• Send to WAFC members only • Define routine email sections • Incentive opens with a special offer. • Outline 12-month exclusive offers • Clean up email list every December
Direct Mail	• Target new potential members – Segment neighborhoods and send postcard with a free day pass to different addresses each month/quarter

Partner Promotional Channels & Content Distribution

Channel	Frequency	• Content
Facebook	As-needed	• Share content from the original source and mention the source in the share (i.e., City of Whitewater, Seniors in the Park, etc.)
Banner	As-needed	• Share newsletters
Park & Rec Newsletter	Monthly	• Calendar of events & swim lessons • Highlight amenities and offerings • Have a presence at P&R events

Social Media Strategy

Owned vs. Partner Content

Whether you post or share is a very important decision, as a rule of thumb post your owned content (i.e., images, videos, Canva templates, etc.) and share partner content (i.e., city news). Cross promotion helps both parties, but credit should be given to the original source by either mentioning the source via @ or sharing the post directly. Partner content should be shared sparingly to avoid diluting your own presence. Followers choose who they want to follow. If they want fitness and aquatic updates, they will follow the Whitewater Aquatic and Fitness page. If they want city news and updates, they will follow the City Page. By including the @ mention link, you are giving them a direct path to follow whichever pages they prefer.

Quality Check Before Posting

Before posting to the blog or social media, ask yourself:

- Is this on-brand?
- Is this shareable, useful, fun, or interesting to my audience?
- Is this relevant to my audience?
- Does this post support my credibility?
- Does the post include all the elements of a "good post"?

Elements of a Good Social Post

- Attention Getter
- Clear, concise, & compelling writing
- Visual (i.e., image or video)
- Call-to-action with a link or a button

The did you know, promotions, programs, or events can be inspired by the campaign schedule on the following page. For example, if swim lessons start in January, post at the end of December and early January a graphic with the classes & start/end dates and make sure to include a link to sign up in the copy of the post. For any upcoming program or event, schedule 2-3 posts in the weekly leading up to it. Use the did you know or promotions as filler in between*

Section 5. Vacancies. Any vacancy in the Board positions held by the City Directors and the School District Directors occurring for any reason shall be filled by the organization that appointed the Director. Any vacancy of a SWIM Director shall be filled by a majority vote of the remaining SWIM Directors. Each SWIM Director so elected shall hold office for the unexpired portion of the term such SWIM Director was elected to fill and until such SWIM Director's successor is elected and qualified, or until such SWIM Director's death, resignation or removal.

Section 8. Waiver of Notice. Any actions taken at any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though such actions were taken at a meeting duly held after regular call and notice, if a quorum is present and if, either before or after the meeting, a written waiver of notice of the meeting, containing the same information as would have been required to be included in a proper notice of the meeting, is signed by (a) each Director not present at the meeting, and (b) each Director present at the meeting who objects at the meeting because the meeting was not lawfully called or convened. All such waivers shall be filed with and made a part of the minutes of the meeting.

Section 2. Corporate Seal. The Corporation shall have no corporate seal.

ARTICLE VIII. Indemnification

Section 1. Successful Defense. The Corporation shall indemnify a director or officer, to the extent he or she has been successful on the merits or otherwise in the defense of any proceeding, for all reasonable expenses incurred in the proceeding if the director or officer was a party because he or she is a director or officer of the Corporation.

Section 2. Other Cases. In cases not included in Section 1 above, the Corporation shall indemnify a director or officer against liability incurred by the director or officer in a proceeding to which the director or officer was a party because he or she is a director or officer of the Corporation, unless liability was incurred because the director or officer breached or failed to perform a duty he or she owes to the Corporation, and the breach or failure to perform constitutes one of the following:

(a) A willful failure to deal fairly with the Corporation or its members in connection with a matter in which the director or officer has a material conflict of interest.

(b) A violation of criminal law, unless the director or officer has reasonable cause to believe his or her conduct was lawful and no reasonable cause to believe his or her conduct was unlawful.

(c) A transaction from which the director or officer derived an improper personal profit.

(d) Willful misconduct.

Section 3. Definitions.

(a) As used herein, the terms "director or officer" mean a natural person who is or was a director or officer of the Corporation, as well as any natural person who while a director or officer of the Corporation is or was serving at the Corporation's request as a director, officer, partner, trustee, member of any governing or decision-making committee, employee or agent of another corporation or foreign corporation, partnership, joint venture, trust or other enterprise.

(b) As used herein, the term "expense" includes fees, costs, charges, disbursements, attorneys' fees, and all other expenses incurred in connection with a proceeding.

Section 4. Presumption. The termination of any proceeding, as defined in this Article, by judgment, order, settlement, or conviction, or upon a plea of no contest, nolo contendere, or an equivalent plea, does not by itself create a presumption that indemnification of the director or officer is not required under this Article.

Section 5. Application. Any officer or director seeking indemnification under this Article shall make a written request to the Corporation therefore. Indemnification shall not be required if the director or officer has previously received indemnification or an allowance of expenses from any person, including the Corporation, in connection with the same proceeding.

In addition to the above, and upon written request of a director or officer who is a party to a proceeding, the Corporation may pay or reimburse his or her reasonable expenses as incurred, if the director or officer provides the Corporation with the following:

Stats. Chapter 181.

Any allowance for expenses provided under this Section shall be an unlimited general obligation of such officer or director and may be accepted by the Corporation without reference to his or her ability to repay the same. The undertaking may be secured or unsecured as the Corporation, in its discretion, shall determine.

Section 6. Nonexclusive. The indemnification provided by this Article shall not be deemed exclusive of all other rights to which the directors or officers may be entitled under any by-laws, agreement, vote of disinterested directors, vote of the members, or otherwise as to any liability, as defined hereinabove, and shall further continue as to any person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such person.

Section 7. Insurance. The Corporation may, upon resolution of its Board of Directors duly adopted, purchase and maintain insurance on behalf of any person who is or was a director or officer, as defined hereinabove against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power to indemnify such person against liability under this provision of the Corporation's By-Laws.

ARTICLE IX. Amendment

The Board of Directors may, from time to time, by vote of a majority of its members, adopt, amend or repeal any and all of the By-Laws of this Corporation.

ARTICLE X. Dissolution

Upon dissolution of the Corporation, after paying or making provision for payment of all of the liabilities of the Corporation, the Board of Directors shall dispose of all assets of the Corporation to or for the benefit of the Supported Organizations. If either of the Supported Organizations or its successor shall not then be in existence or shall fail to qualify as an exempt organization under Section 501(c)(3) of the Internal Revenue Code of 1986 (or corresponding provisions of any future United States Internal Revenue Code), then the Board of Directors shall dispose of all such remaining assets to or for the benefit of the remaining Supported Organization that does qualify as an exempt organization under the applicable provisions of said Internal Revenue Code. - B. The Lease and Operating Agreement provides for the use of the Aquatic Facility by the general public. The Aquatic Facility is primarily intended to serve the recreational and programmatic needs of the general public, but the School District also wishes to use the Aquatic Facility for curricular, special education, and extracurricular purposes.

NOW, THEREFORE, in consideration of the foregoing Recitals, and further in consideration of the rents to be paid hereunder, and subject to all of the covenants and agreements contained in this Agreement, the parties agree as follows:

- 1. **Use of Space.** The City agrees to rent the Aquatic Facility to the School District to be used for curricular, special education, and extracurricular purposes.
- 2. **Annual Rent.** The School District agrees to pay the City \$7,500.00 on or about July 1 annually for its use of the Aquatic Facility for curricular, special education, and extracurricular purposes.
- 3. **Scheduling.**
 - (a) The Park and Recreation Board of the City of Whitewater (the "Park Board") shall exercise its best efforts to schedule use of the Aquatic Facility to meet within reason the School District's Program Needs and the General Public's Recreational Needs. For purposes of this Agreement, (i) the "School District's Program Needs" shall include use of the Lap Pool, Leisure Pool, and Fitness Center, during the school year or during the summer, for health and physical education courses and related curricular activities and practice, individualized instruction for students with disabilities, training and competition for co-curricular competitive swim teams representing the School District and (ii) the "General Public's Recreational Needs shall mean use of the Lap Pool, Fitness Center, and/or the Leisure Pool for youth and adult swim

lessons and related aquatics training and instruction, parent-child recreational programs, senior citizens health and recreational programs, the public's general recreational use and similar activities historically and/or customarily sponsored by the City.

The parties acknowledge that, in order to maximize the efficiency and fairness with which the Aquatic Facility is used, it will be essential that the parties cooperate in working out the Aquatic Facility's yearly schedule. Toward that end, the School District shall, not later than April 30 of each calendar year, provide Park Board and the City a proposed schedule of the School District's Program Needs for the period from August 1 of that year through July 31 of the following year. Similarly, a proposed schedule of the General Public's Recreational Needs shall be developed by the Park Board for the same period. If the Aquatic Facility is available on the dates and at the times selected by the School District, then the School District's use of the Aquatic Facility shall be included in the Aquatic Facility's schedule as proposed. If, on the other hand, the Aquatic Facility may be scheduled for another use at a time proposed for the School District's Program Needs, the Park Board shall notify the School District, and the parties shall meet to resolve the conflict to the reasonable satisfaction of all concerned, said resolution to be concluded within thirty (30) days after receipt of the School District's proposed schedule or June 1 of that year, whichever is later.

- (c) After the scheduling for the School District's Program Needs for the coming year has been approved and adopted by the Park Board as provided herein, said schedule shall not be modified by the Park Board without the School District's prior written consent. In addition, throughout each year during the term of this Agreement, at such times as may be necessary, the staff of the Park Board will meet with representatives of the School District to go over their various scheduling needs and to resolve any scheduling conflicts. The School District shall be responsible for providing and supervising all staff and other personnel necessary for the School District's scheduled uses of the Aquatic Facility, with the exception of a lifeguard. Upon request by the School District and subject to approval of the Park Board, Aquatic Facility personnel may be used to assist the School District in connection with supervision and/or administration of the School District's Program Needs so long as the School District remains primarily responsible for all liability associated with such activities and the Park Board is reimbursed for any unusual or irregular personnel or other costs incurred as a result of such activities.

- (d) In addition to incorporating the School District's scheduled dates into the Aquatic Facility schedule, the Park Board shall use diligent efforts to arrange for ongoing use of the Aquatic Facility in such manner as is reasonably necessary to maximize revenues.
4. **Summer Programs.** The School District may decide to offer aquatics instruction in the future as part of its summer school curriculum. If the School District wishes to offer such instruction at the Aquatics Facility, its summer school aquatics instruction schedule shall be included in the proposed schedule of the School District's Program Needs provided pursuant to Section 3 above.

The School District shall be responsible for all costs associated with the School District's summer school aquatics instruction program and supervision of all personnel necessary for the organization, administration and implementation of the School District's summer school aquatics instruction program, together with all liability arising from said program. It is anticipated that, subject to the approval of the Park Board, Aquatic Facility personnel (such as lifeguards and swimming instructors) may assist the School District in connection with such program. The parties agree to establish a mutually acceptable arrangement for staffing of the School District's summer school aquatics instruction program and reimbursement of the Aquatic Facility for its costs associated therewith no later than March 15 of each year. The rate of reimbursement will be substantially similar to the rate of reimbursement for Summer 2015.

BETWEEN
WHITEWATER UNIFIED SCHOOL DISTRICT (the "SCHOOL DISTRICT")
THE CITY OF WHITEWATER (the "CITY")**

LEASE AND OPERATION AGREEMENT

THIS LEASE AND OPERATION AGREEMENT (this "Agreement") is entered into as of the 28th day of June, 2021 (the "Effective Date"), by and among **WHITEWATER UNIFIED SCHOOL DISTRICT** (the "**SCHOOL DISTRICT**"), a Wisconsin school district and **THE CITY OF WHITEWATER**, a Wisconsin municipal corporation and political subdivision (the "**CITY**").

RECITALS

- A. The School District and the City are currently parties to a Lease and Operating Agreement, dated as of January 19, 2016.
- B. The terms of the Lease and Operating Agreement provide for the operation of a recreation facility constructed on land owned by the District and adjacent to Whitewater High School (the "Site"), an aquatic facility consisting of an eight lane, twenty-five yard competitive pool (the "Lap Pool"), a leisure pool (the "Leisure Pool"), a slide, a Fitness Center, and appurtenant fixtures, mechanical systems and related improvements (collectively, the "Aquatic Facility").
- C. The Aquatic Facility also includes a locker room facility constructed for the sole and exclusive use of the School District (the "District Locker Room Facility"). For purposes of this Agreement, the District Locker Room Facility means the area of the Aquatic Facility bounded by the interior walls, floor and ceiling of the District Locker Room Facility, as well as any portions of the Aquatic Facility utility and mechanical systems (wherever located) serving exclusively the District Locker Room Facility.
- D. The Aquatic Facility was constructed using public funds appropriated by the School District and the City which included a \$2,000,000 contribution from the City of Whitewater, and private donations obtained by other sources, and is primarily intended to serve the recreational and programmatic needs of the general public. By pooling the resources of the City, the School District, and the private sector, the above needs can be met in a comprehensive and cost efficient manner for the benefit of all parties. The parties agree that the School District's contribution shall be used to enable all School District residents to use the Aquatic Facility under the same use and fee structures as City residents. In addition, and separate and apart from this Agreement, the City and School District have executed an agreement by which the School District will rent portions of the Aquatic Facility for curricular, special education, and extracurricular purposes.
- E. The Aquatic Facility was operated by Whitewater Aquatic Center Inc., pursuant to a Lease and Operating Agreement dated December 15, 2001 that expired December 14, 2016, and the City and the School District have agreed that the Park and Recreation Board of the City of Whitewater (the "Park Board") assumed the responsibility for the operation and management of the Aquatic Facility. The Park Board is a governmental subdivision and agency of the City. The School District shall have the right to appoint two members of the Park Board.

- F. The City and the School District are entering into this Lease and Operation Agreement to provide for the operation of the Aquatic Facility at the expiration of the prior agreement on June 30, 2021.
- F. For purposes of this Agreement, the term "Leased Premises" means the Aquatic Facility and the Site, excluding the District Locker Room Facility.
- G. Capitalized terms used, but not defined, in this Agreement, shall have the meaning given to them in the Cooperation Agreement. Any inconsistencies between the terms of the Cooperation Agreement and this Agreement shall be resolved in favor of this Agreement.

NOW, THEREFORE, in consideration of the foregoing Recitals, each of which is incorporated into this Agreement by reference, and further in consideration of the rents to be paid hereunder, and subject to all of the covenants and agreements contained in this Agreement, the parties agree as follows:

ARTICLE I.

DEMISE OF LEASED PREMISES

I.01 The Leased Premises. The School District hereby leases unto the City, and the City hereby leases from the School District, the Leased Premises. The Leased Premises are depicted on the attached Exhibit A.

I.02 Access and Parking. In connection with its lease of the Leased Premises, the School District hereby also grants unto the City and its employees, invitees and patrons the non-exclusive right of ingress and egress to and from the Aquatic Facility over and across the driveways and walkways serving Whitewater High School, as well as the non-exclusive right to use the parking areas, all as shown on the attached Exhibit B. In order to further accommodate the parking needs of the Aquatic Facility: (a) the School District also agrees that the parking spaces in that portion of the Whitewater High School parking area designated on the attached Exhibit B as the "Aquatic Facility Designated Parking Area" shall not be used by students of Whitewater High School as are other portions of the parking area; and (b) the School District will use reasonable efforts to assure that students are not parking in the Aquatic Facility Designated Parking Area during the customary school day hours of 7:30 a.m. to 3:30 p.m. The remaining parking spaces in the Whitewater High School parking area shall be available for use by the School District, the City and the general public on a first come/first served basis. The School District shall post signs in appropriate locations of the parking area to inform the public that the parking spaces are in the "Aquatic Facility Designated Parking Area."

ARTICLE II.

TERM OF AGREEMENT

II.01 Initial Term. The initial term of this Agreement shall run for five (5) years commencing on July 1, 2021 (the "Commencement Date") and ending at 11:59 p.m. on June 30, 2026 (the "Expiration Date"), unless sooner terminated in accordance with this Agreement or in

furtherance of the School District's and the City's rights and remedies in the event of an uncured default.

II.02 Rights to Extend the Term. The parties may extend this Lease only by mutual written agreement of the City and the School District.

ARTICLE III.

RENTAL

III.01 Annual Rent. During the term of this Agreement, the City shall pay to the School District annual rent of One Dollar (\$1.00), payable in advance on the Commencement Date and on each annual anniversary of the Commencement Date.

ARTICLE IV.

USE OF THE LEASED PREMISES

IV.01 Permitted Use/Continuous Use. During the entire term of this Agreement, including any extensions: (a) the City shall have the right to use the Leased Premises; and (b) the City covenants that it will continuously use the Leased Premises, solely as a public recreation facility serving public recreational needs and the reasonable programming needs of the School District. Such use shall at all times be conducted in accordance with the terms of this Agreement and with all applicable federal, state, and local laws, codes, regulations, ordinances, permits and licenses (collectively, "Laws"), including without limitation all Laws governing the use of the School District's facilities, to the extent such Laws affect the use and operation of the Leased Premises. The School District will use diligent efforts to keep the City informed regarding Laws applicable to School District facilities, including any changes in such Laws. Without limiting the generality of the foregoing, the Aquatic Facility shall at all times be a smoke-free, alcohol-free, and drug-free environment.

ARTICLE V.

OPERATION OF THE LEASED PREMISES

V.01 Responsibility for Operation. During the term of this Agreement, the City of Whitewater Park and Recreation Board ("Park Board") shall have primary responsibility for the management and operation of the Leased Premises. In that regard:

- A. Allocation and Use of Space.** Subject to the general restrictions set forth in Article IV above and the School District's rights and remedies as set forth in this Agreement, the Park Board will have the sole and exclusive control over and right to schedule, allocate and lease space within the Leased Premises. It is anticipated that, in connection with the operation of the Aquatic Facility, the City may enter into (a) sublease/use agreements with various individuals and user groups ("Use Agreements"); and (b) contractual arrangements with concessionaires,

management companies and other service providers (collectively, "Service Contracts"). The School District consents to such Use Agreements and Service Contracts, all of which, however, shall be expressly subject and subordinate to the terms of this Agreement.

- B. Personnel.** Except as otherwise provided for herein or by other lease agreements between the parties regarding the School District's scheduled use of the Aquatic Facility, the Park Board shall solely be responsible for staffing the Aquatic Facility(except the District Locker Room Facility), including without limitation the selection, hiring/firing, wages and benefits, workers compensation, unemployment compensation, non-discrimination requirements and all other costs and liabilities associated with all employees and volunteers, if any, necessary to operate the Aquatic Facility. Staffing needs will be determined by the Park Board and reflected in the Annual Budget (as described in Section 5.02 below). The Park Board may also retain, at its sole expense, such professional and administrative services (e.g., accounting, legal, purchasing, human resources, and so on) as it deems necessary to the operation and management of the Aquatic Facility. The Park Board may use volunteer staff in operating the Aquatic Facility, provided that all such volunteers, prior to commencing any activities within the Leased Premises, sign a waiver of liability in favor of, and in form and substance satisfactory to, the City and the School District. Notwithstanding the foregoing, in the event the Park Board fails or declines to satisfy or comply with its responsibilities under this section, then the City shall fully indemnify and hold the School District harmless from any and all claims or demands asserted by any Aquatic Facility staff member or third party, including reasonable attorney fees and costs of defense, relating to such violation of this section. The Park Board may use Aquatic Center personnel and facilities to conduct recreation registration unrelated to the Aquatic Center and other similar activities for the benefit of the general public.
- C. Special Activities/Events.** It is anticipated that the School District may request use of the Aquatic Facility for uses in addition to those uses described in Section 5.01 B. above and the City may request use of the Aquatic Facility for uses extending beyond the scope of the General Public's Recreational Needs as described in Section 5.01 B. above (all such additional uses collectively referred to herein as, the "Special Activities/Events"). It is intended that any use by the School District or the City for Special Activities/Events shall be subject to payment to Aquatic Facility of a reasonable additional fee for use of the Aquatic Facility beyond the School District's Program Needs and/or the General Public's Recreational Needs, as appropriate. Such uses shall be scheduled ~~through the Aquatic Facility manager~~ in the same manner as uses by any other party wishing to schedule an event at the Aquatic Facility, and shall be subject to availability. The School District and/or the City, as appropriate, shall be responsible for providing lifeguards and supervising all staff and other personnel necessary for any such Special Activities/Events. Subject to the approval of the Park Board, Aquatic Facility personnel may be used to assist the School District and/or the City in connection with any such Special Activities/Events so long as the City

and/or the School District remains primarily responsible for all liability associated with any such Special Activities/Events and the Aquatic Facility is reimbursed for its unusual or irregular personnel and other costs incurred as a result of such activities or events. The City and/or the School District may use volunteer staff in connection with any such Special Activities/Events provided that, prior to commencing any such volunteer activities, all such volunteers sign a waiver of liability in favor of, and in form and substance satisfactory to, the School District and the City. Also, any volunteer who will act as a lifeguard must be a certified lifeguard or be otherwise properly qualified to provide lifeguard services. The Park Board shall develop a written policy to assist WAC staff, the City, and the School District in the determination as to which types of activities/events will be considered special activities/events.

- D. **Budget.** The Aquatic Facility will have a separate budget and shall maintain a separate operating account from the City and the Whitewater Park and Recreation Department. The parties will split all Aquatic Facility expenses equally to the extent that they are not covered by revenues generated by the Park Board. All revenue generated by the Aquatic Center operations will be used for Aquatic Facility expenses. The City shall contribute towards the Aquatic Facility costs in the amount of \$153,000.00 for calendar year 2021 and \$178,000.00 for calendar year 2022 and each remaining calendar year covered by this Agreement. The School District shall contribute towards the Aquatic Facility costs in the amount of \$145,500.00 for the period July 1, 2021 through June 30, 2022 and \$170,500.00 for the period July 1, 2022 through June 30, 2023 and each remaining fiscal year covered by this Agreement. These amounts contributed by each party may be subject to adjustment on an annual basis, as mutually agreed by the parties. (Exhibit C)

- E. **Revenues and Fundraising.** The Park Board shall be responsible for operating the Leased Premises in such a way that attempts to generate sufficient revenues to cover all of the expenses related to the Aquatic Facility's obligations under this Agreement, including without limitation, all of the expenses of operating, maintaining, repairing, replacing and staffing the Leased Premises (except for Special Activities/Events as set forth above). Toward that end, the Park Board shall have the right to receive and/or be reimbursed for all revenues generated by the use and operation of the Leased Premises, including swimming lessons the Park Board provides and any revenues generated by the User Agreements and/or the Service Contracts and/or Special Activities/Events described above, provided, however, that the School District shall have the right to retain curriculum fees, meet entry fees, revenues from sales of School District apparel, swimming lessons the School District provides and other similar revenues (but not revenues from concessions from use of the Aquatic Facility) in connection with use of the Aquatic Facility for the School District's Program Needs. above or in connection with any Special Activities/Events above subject to the obligation to reimburse the Aquatic Facility for any use of Aquatic Facility staff and other Aquatic Facility costs as provided under Sections 5.01 B. and 5.01 C. above. The Park Board shall establish appropriate user fees for the use of the Aquatic Facility. All

such user fees received by the Aquatic Facility shall be deposited to appropriate operating accounts administered and controlled by the Park Board for use in connection with the operation and staffing of the Aquatic Facility and the maintenance, repair and replacement of the Aquatic Facility and the equipment and other assets of the Aquatic Facility.

In addition, the Park Board shall engage in appropriate fundraising activities as a means of generating operating funds for operation of the Aquatic Facility. Any directed gifts acquired through such fundraising activities shall be utilized for such charitable purposes as the donor may so direct (subject to the terms of this Agreement) and, further, shall be held in and disbursed from such segregated accounts as the Park Board deems necessary or appropriate.

Any fundraising activities conducted on the Leased Premises (including without limitation, any commercial sponsorships and/or Service Contracts requiring the use, display or recognition of commercial logos within or upon the Aquatic Facility) shall be subject to the prior approval of the School Board and the City, which approval shall not be unreasonably withheld, suspended or delayed.

- F. **Request for Additional Operating or Capital Funds.** The Park Board shall obtain the consent of the City and School District prior to transferring any funds out of its capital account for operational expense use. The Park Board will make requests to the City and School District in the event it needs additional funds for operational expenses. While the City and WUSD contribute designated amounts for both operations and capital expenses, funds will be kept in a co-mingled account. The Park Board will have authority to spend all dollars (*in a way that sustains operations*). However, the Park Board will be accountable to both the City and WUSD for the tracking and reporting of all dollars used.

V.02 **Annual Budget.** Not later than September 1 of each calendar year during the term of this Agreement, or such other time as may be mutually agreeable to the parties, the Park Board shall deliver to the School District and the City an annual budget for the upcoming calendar year (the "Annual Budget"). The Annual Budget will show all anticipated funding and revenues of the Aquatic Facility for the upcoming year together with a schedule of the projected user fees to be charged for the upcoming year, and projected expenditures for the upcoming year together with such reserves for capital expenditures and improvements as the Park and Recreation Board deems appropriate. Within thirty (30) days after their receipt of the Annual Budget, the School District and the City shall provide the Park and Recreation Board any suggestions or comments they may have to the Annual Budget, and the Park Board shall give due consideration to the direction of the School District and the City in arriving at its final Annual Budget for the upcoming year.

V.03 **Financial Reports.** Not later than May 1st of each calendar year during the term of this Agreement, the Park Board shall submit to the School District and to the City annual financial reports regarding the operation of the Aquatic Facility during the most recent calendar year, certified as having been reviewed by a qualified representative of the Park Board. In

addition, the Park Board shall make its financial books and records available to representatives of the School District and the City during normal business hours upon request.

ARTICLE VI.

IMPROVEMENTS; ALTERATIONS; REPAIRS AND MAINTENANCE

VI.01 Alterations and Additions. Subject to the advance, written approval of the School District and the City, and all applicable laws, codes, regulations and ordinances, the Park Board shall have the right at any time and from time to time during the term of this Agreement, to make such changes, alterations and additions, structural or otherwise, to the Leased Premises, and the fixtures and equipment thereof now or hereafter located on the Leased Premises, as the Park Board shall deem necessary or desirable in connection with the Park Board's permitted use of the Leased Premises. Prior to the commencement of any such work, the Park Board shall submit to the School District and the City for their review and approval, the plans and specifications for such work, together with confirmation that the Park Board has on hand, or has firm written commitments for, all funds sufficient to pay the total estimated cost of such work. Any alterations to the exterior of the Leased Premises shall be compatible with the exterior design and appearance of the exterior of Whitewater High School. If the School District and the City have not approved or rejected the plans and specifications by written notice to the Park Board within sixty (60) days after submission, such plans and specifications shall be deemed to have been approved. Approval of any such plans and specifications shall not be unreasonably withheld provided, however, that unavailability of funds to pay for the proposed work and/or unreasonable interference with or limitation upon the Park Board's ability to meet the School District's Program Needs and/or the General Public's Recreational Needs shall be a proper basis for rejection. The cost of any such change, alteration or addition shall be promptly paid and discharged by the Park Board so that the Leased Premises shall at all times be free of liens for labor and materials supplied to the Leased Premises.

VI.02 No Waste. The Park Board shall not do or permit any waste or damage, disfigurement or injury to the Leased Premises or any building or improvement now or hereafter on the Leased Premises or the fixtures or equipment thereof.

VI.03 Condition of Leased Premises. The Park Board, prior to the occupancy thereof, shall fully familiarize itself with the physical condition of the Leased Premises and the improvements, fixtures and equipment thereof.

VI.04 Maintenance and Repair Obligations. The Park Board covenants and agrees, throughout the term of this Agreement, to maintain the Leased Premises and keep the Leased Premises in as good order and condition as they are in as of the Effective Date, reasonable use and wear thereof excepted. The Park Board shall promptly make or cause to be made all necessary repairs, interior and exterior, structural and nonstructural. When used in this Agreement, the term "repairs" shall include replacements or renewals when necessary, and all such repairs made by the Park Board shall be at least equal in quality and class to the original work. The School District and the City shall, throughout the term of this Agreement, have the right, upon reasonable notice to the Park Board, to inspect the Leased Premises to verify compliance with the terms of this Article VI. If the School District believes that the Park Board

is not properly carrying out its duties of maintenance and repair, they shall deliver to the Park Board a notice of default alleging the same, and, the Park Board shall cure such default, or if a cure within that time period is not reasonably possible, commence a cure within that time period and thereafter diligently proceed to cure such default as provided in Article VII below.

The School District shall be responsible for the cost of providing electricity to operate the emergency lighting, exit lighting, and fire alarm systems serving the Aquatic Facility and the lighting to the parking areas, and for the cost of maintenance and repair of, and snow removal from, the parking areas and sidewalks serving the School District's property, including those areas shared with the Leased Premises as described above and maintenance and repair of the parking area lighting.

ARTICLE VII.

OPERATING EXPENSES

VII.01 Park Board Obligations. Except as otherwise provided in this Agreement, the Park Board shall be solely responsible for paying, when due, any and all costs and expenses of every kind and nature required to operate, maintain, repair or replace the Leased Premises, including, without limitation, those of cleaning, lighting, maintaining, repairing and replacing the structures located thereon; the hiring of engineers, architects and other experts in connection with improving, maintaining, repairing or replacing the Leased Premises; maintaining, repairing, or replacing any of the walls, foundations or exterior structural portions of the structures located upon the Leased Premises; providing security and other special services; supplies; water and sewer charges; electricity, gas, and all other utility charges; licenses and permit fees; and any and all other expenses whatsoever of maintaining, operating, repairing and replacing the Leased Premises. The School District shall have no duty to provide any utility or other services to the Leased Premises, with the exception of the electricity (including back-up system) necessary to operate the emergency lighting, exit lighting, and fire alarm systems serving the Leased Premises, all of which shall be operated, at School District expense, as part of the systems serving Whitewater High School.

The Annual Budget prepared by the Park Board each year shall include adequate reserves for the expected future replacement of the structural, mechanical and utility systems of the Leased Premises as reasonably deemed appropriate by the Park Board.

In addition to the foregoing, beginning on the Effective Date, the Park Board shall be solely responsible for any taxes, special assessments, or other governmental assessments or exactions levied, assessed, or otherwise relating to the entire Leased Premises, including without limitation, real and personal property taxes; governmental assessments such as special assessments, or payment in lieu of taxes. If any such taxes or assessments are payable, or may at the option of the taxpayer be paid, in installments, then the Park Board shall have the right to pay the same in installments. The Park Board shall have the right to contest and review the amount or validity, in whole or in part, of any taxes, payments in lieu of taxes, or special assessments levied, imposed, assessed or payable upon, against, for or with respect to the Leased Premises. The term "legal proceedings" includes appropriate appeals of any judgments, decrees, orders and certiorari proceedings and appeals of orders therein, to and including appeals to the court of last

resort. In the event any rebate of special assessments or other charges levied, imposed, assessed or payable upon, against or with respect to the Leased Premises is made, such rebate shall be the sole property of the Park Board, provided the Park Board shall have paid such special assessment or other charge in the first instance.

TERMINATION EVENTS

XII.01 Termination Events. This Agreement may only be terminated prior to the Expiration Date pursuant to subsection A or B below (a "Termination Event"):

A. **(i) Event of Default by Park Board.** If the Park Board, or its permitted successors or permitted assigns, fails to perform any material term, condition or covenant of this Agreement and if such failure continues more than ninety (90) days after the Park Board receives written notice thereof (or such longer time as reasonably necessary not to exceed one hundred fifty (150) days, except with the written consent of the School District and the City in their reasonable discretion, if such is not susceptible to cure within ninety (90) days, and the Park Board, upon receipt of such notice, promptly and diligently attempts to effect such cure and thereafter diligently and continuously pursues such cure), then either the School District or the City shall have the right to terminate this Agreement and to recover possession of the Leased Premises. Notwithstanding and in addition to the foregoing, before terminating this Agreement pursuant to this Section, the School District and/or the City must first comply with the notice and arbitration procedures set forth Article XVIII below.

(ii) Any claim to recover unpaid rents or other sums owing hereunder, including any costs, liabilities or damages incurred by the School District or the City due to the Park Board's failure to abide by its covenants and obligations hereunder, shall also be subject to the notice and arbitration procedures set forth in Article XVIII below. Any termination of this Agreement for default shall also be subject to

Article XVI below regarding transfer of management and control following such termination.

(iii) Right to Cure Defaults. In addition to any other remedies the School District may have, the School District may, but shall not be obligated to, perform any obligation which the Park Board has failed to perform after written notice and opportunity to cure as set forth above (or without notice in the event of a situation where failure to effect an immediate cure could result in substantial harm to the Leased Premises or injury to person), and all costs incurred by the School District and/or the City in doing so shall be immediately due the School District and/or the City from the Park Board, except to the extent such costs are covered by insurance and insurance proceeds are or will be made available to pay the cost thereof. B. Lack of Funding.

(i) Notwithstanding any other terms of this Agreement, the School District may, at its sole discretion, terminate this Agreement at any time upon ninety (90) days' notice to the City and the Park Board if the School District is unable to fund its obligations under Section 5.01.F through its Fund 80 community service budget.

(ii) Notwithstanding any other terms of this Agreement, the City may, at its sole discretion, terminate this Agreement at any time upon ninety (90) days' notice to the School District if the City loses substantial sources of funds (for example shared revenue) such that it is no longer practical for the City to continue to fund its obligations under this Agreement.

(iii) The City and the School District agree to be equally responsible for refunding prorated membership fees if the facility closes.

ARTICLE XIII.

INDEMNIFICATION

Each party hereto and said party's permitted successors and permitted assigns, agree to indemnify, save harmless and defend all other parties hereto, and their respective directors, officers, officials, agents and employees (collectively, the "Indemnified Parties") from any and all liability, suits, actions, claims, demands, losses, costs, damages and expenses of every kind and description, including attorney costs and fees, for claims of any character, including liability and expenses in connection with employment or personnel actions or policies of said party, the loss of life, personal injury or damage to property, or any of them, brought because of any injuries or damages received or sustained by any person, persons or property on account of or arising out of the operation, use or occupancy of all or any portion of the Leased Premises by said party, its permitted successors, permitted assigns, sublessees and other users and patrons, or

at any time occurring on, at, or in the Leased Premises. No party shall be required to so indemnify any Indemnified Party whose negligence or willful misconduct was a cause of the injury or loss that is the subject of such claim. This requirement shall also apply with equal force to all work performed by a party, its successors or permitted assigns, said party's contractor or any subcontractor or any other party directly or indirectly employed by or retained by said party to perform work relating to the operation, repair, maintenance or replacement of all or any portion of the Leased Premises or any equipment or fixtures thereon.

ARTICLE XIV.

EQUAL OPPORTUNITIES/NON-DISCRIMINATION POLICY

The Park Board for itself, its permitted successors and permitted assigns, agrees that in the operation, management and use of the Leased Premises, it and they will abide by all applicable federal, state, and local laws, codes and ordinances relating to equal opportunities and non-discrimination. Without limiting the generality of the foregoing, the Park Board covenants that it will not discriminate against any employee or applicant for employment within the Leased Premises, nor shall the Leased Premises or any portion of it be used by any party in any manner to permit discrimination or restriction on the basis of race, religion, marital status, age, color, sex, sexual orientation, physical condition, disability, national origin or ancestry. In the event of any claim asserted by any employee of the Aquatic Facility or any third party which arises from a violation of this section, the City shall fully indemnify and hold the School District harmless from any and all such claims or demands, including reasonable attorney fees and costs of defense, relating to the same.

ARTICLE XV.

TRANSFER OF MANAGEMENT AND CONTROL UPON EXPIRATION OR TERMINATION

XV.01 Upon Expiration or Termination. Upon expiration or earlier termination of this Agreement as set forth in Article XII above (collectively a "Termination Event"), management of the Leased Premises shall become the joint responsibility of the School District and the City, and all funds then existing in the operating account or any other account held by the Park Board (excluding segregated funds held for a specifically designated charitable purpose at the direction of a donor) shall be transferred to the joint control of the School District and the City. After the occurrence of a Termination Event, the School District and the City shall confer in good faith to determine whether the Leased Premises shall continue to be operated as a public aquatic center, and if so, whether such operation shall be delegated to one or more departments or subagencies of either or both of the School District and the City, or contracted to an independent third party; provided, however, that any such use must qualify as a charitable purpose under applicable laws and regulations. If a Termination Event has occurred and the School District and the City jointly and voluntarily agree, in writing, to abandon the operation of a public aquatic center at the Leased Premises, all rights of the City and any other party hereunder shall cease, and the School District shall assume full management and control of the Leased Premises, and may use it, replace it, demolish it, or otherwise dispose of it at the School District's sole discretion. All

funds then contained in the operating funds established hereunder (excluding segregated funds held for a specifically-designated charitable purpose at the direction of a donor) shall paid to the School District to be used for the costs related thereto. If a Termination Event has occurred and the School District and the City are unable to jointly agree upon a disposition or use of the Leased Premises within ninety (90) days thereafter (or such longer time as may be mutually agreeable), the matter shall be submitted to mediation or arbitration pursuant to Article XVIII. It is acknowledged that, in the event the City and the School District are not able to reach an agreement as to the future use and/or disposition of the Aquatic Facility after the occurrence of a Termination Event, neither the City nor the School District shall be deemed to have superior rights in the Leased Premises by virtue of this Agreement or otherwise unless and until a final determination is made by the court.

Toward that end, the School District shall, not later than April 30 of each calendar year, provide Park Board and the City a proposed schedule of the School District's Program Needs for the period from August 1 of that year through July 31 of the following year. Similarly, a proposed schedule of the General Public's Recreational Needs shall be developed by the Park Board for the same period. If the Aquatic Facility is available on the dates and at the times selected by the School District, then the School District's use of the Aquatic Facility shall be included in the Aquatic Facility's schedule as proposed. The invalidity of any one or more phrases, sentences, clauses or paragraphs in this Agreement contained, shall not affect the remaining portions of this Agreement, or any part thereof.
- (g) **No Third Party Beneficiaries.** This Agreement is entered into for the sole and exclusive benefit of the parties hereto. No third party shall have, obtain or derive from this Agreement any rights or other benefits or interests, under any laws or otherwise.
- (h) **Exculpatory Provision.** The parties to this Agreement expressly acknowledge and agree that, anything herein to the contrary notwithstanding, that no officer, director, employee, agent, or official (elected or appointed) of any party hereto shall have any personal liability or obligation arising out of this Agreement, and no party hereto shall make any claim to the contrary.
- (i) **Rules of Construction/Conduct.** The parties to this Agreement further acknowledge and agree that this Agreement is a good faith attempt to memorialize the intent of the parties, that in the course of its preparation, each party has been adequately and fully represented, and that, accordingly, rules of interpretation that signify that an agreement shall be construed against the drafter shall not apply. In addition, the parties acknowledge and agree that they shall endeavor to resolve any and all issues that may arise under this Agreement in a spirit of cooperation consistent with the intent of the Cooperation Agreement and with the aim of benefitting the entire Whitewater area community.

11. **Arbitration.**

- (a) **Agreement to Arbitrate.** The parties to this Agreement agree that any dispute, grievance, controversy, demand, claim, counterclaim, or cause of action (all of which are referred to as a "Claim") by or between any of the parties hereto, which arises out of or relates to any term or requirement of this Agreement, shall be submitted to arbitration pursuant to the procedures set forth below, regardless of whether such Claim arises in tort, contract, or otherwise.

(b) Notice of Claim. If and when any Claim arises, the party asserting the Claim shall provide written notice of the claim ("Notice of Claim") to the opposing party within ninety (90) days of the event or occurrence giving rise to the Claim. Upon receipt of such Notice of Claim, the party against whom the Claim is made shall have twenty (20) days to either: (a) cure or satisfy the Claim, or (b) notify the other party in writing that the Claim is disputed ("Notice of Dispute"). Failure to satisfy either of the proceeding (a) or (b) shall also be considered a Notice of Dispute. If the Claim is disputed, then within twenty (20) days of the Notice of Dispute each party involved in the Claim shall select an arbitrator, attorney, or other individual (herein an "Arbitration Representative") to represent them in the Arbitration process set forth in Section 11 below, and each party shall notify the other party of said Arbitration Representative.

(c) Arbitration Panel. If a Notice of Dispute has been provided and all other requirements of Section 11 have been met, then:

The two (2) Arbitration Representatives as a body shall, as promptly as possible, select a third disinterested person to compose a panel of three to arbitrate the Claim. If a third person cannot be agreed upon by the two (2) Arbitration Representatives, the two (2) representatives shall jointly request that the Wisconsin Employment Relations Commission (WERC) submit a list of five (5) names from which the two (2) Arbitration Representatives, within three (3) days of receipt, shall each strike two (2) names. The remaining name shall be the disinterested person for the arbitration proceeding.

Except as otherwise provided for herein, the decision of a majority of the arbitration panel shall be final and binding upon the parties and any party to the arbitration may apply to the Circuit Court in Walworth County or Jefferson County for an order confirming the award in accordance with Chapter 70 of the Wisconsin Statutes. The arbitration panel shall not, however, have the authority to add to, subtract from, or otherwise modify or change the terms of this Agreement.

If there is any charge for the service of the disinterested third person arbitrator, or for a transcript of the proceedings, the parties shall share the expense equally. Each party shall bear the expense of preparing and presenting its own case.

(d) Arbitration Default. If any party fails or refuses to comply with any of the procedures or requirements of this Section 11, then the party aggrieved by such failure or refusal may petition the Circuit Court in Walworth County or Jefferson County for an order to enforce the terms of this Section 11. If such an order to enforce is entered by the Court, then the party who failed or refused to comply with this Section 11 shall be liable to the petitioning party for all costs and attorney's fees incurred in obtaining such an order.

(e) Right to Judicial Relief. The arbitration procedures set forth in this Section 11 shall be followed with respect to all Claims arising out of or relating to any term or

requirement of this Agreement. However, notwithstanding the terms of this section, the parties may seek de novo judicial relief from a court of competent jurisdiction in the State of Wisconsin with respect to an arbitration decision arising out of or relating to Section 11(a) or the arbitrability of the claim under this Lease.
