

## **Youth Educational Services Report September 2019**

### **August Craft-a-Thon**

Claire and I ran a series of craft programs on Thursday afternoons. These were predominately attended by the Parks & Rec Innovation Camp. I hosted the glass lanterns and the bird house painting.

### **Outreach**

- On Wednesday, August 21<sup>st</sup> Claire and I gave a library tour and presentation to several teachers for their Teacher Academy. Topics included the Maker Space, STEM Kits, and Teacher Packs.
- On Thursday, August 29<sup>th</sup> I attended the open house at the UWW Children's Center to promote library services and programs.

### **Passive Programming**

142 people participated in our Pokémon Bingo program during August.

### **Monarchs**

We are winding down our monarch rearing program. To date we have released 31 butterflies.
