

## **Adult Services Report March 2023**

### **Report:**

To date we have had four people check out a Wisconsin State Park Pass. The "Check Out Wisconsin's State Parks" program has been extended until December 31<sup>st</sup>. Libraries who have remaining passes may continue to check them out. I have advertised the program on our social media outlets, and since doing so two people have come in to check out a pass. Now that the weather is getting warmer I imagine we will have more interest in the program.

### **Collection Development:**

The nonfiction books from the Wisconsin Collection have been moved out of the Spacesaver storage area and now live where the children's Spanish books were previously housed. Suzanne created an attractive display to help draw attention to this collection. They have been circulating well.

I assembled three book displays for adults for the month of March.

I continue to do monthly weeding in the various adult collections.
