February Homeschool Hangout

UW-Madison treated our homeschool families to several fun and informative physics demonstrations through their outreach program, The Wonders of Physics. The program was presented by none other than Haddie McLean, former meteorologist for Channel 3000. The fire tornado demonstration was particularly entertaining.

ESL Class Visit

Sarah and I met with Jorge Islas to discuss a library tour for his ESL class. The tour will take place in April and will be followed by activities in the Community Room.

Tonieboxes

I am in the process of adding Tonieboxes to our children's collection. Tonieboxes are small speakers that connect with characters (Tonies) to play children's songs and stories. If you are interested, you can learn more about them here: <https://us.tonies.com/>
