5.III. Purchase of Chromebooks For Library Board Meetings
   - With the new agenda center providing PDFs of the board packet, this seems like an appropriate time to have a discussion on whether or not to purchase Chromebooks for Library Trustees to use at Library Board meetings in place of printing out paper copies of the packet. The Common Council already uses Chromebooks for their meetings. A current quote for nine 15.6" units at approximately $200 each (one for each board member and two alternates) is $1,808. A current quote for nine 11.6" units at about $150 each is $1,351.
- The Board discussed the pros and cons of paper vs. electronic Board packets and if there would be a cost savings to switching to electronic copies.
- Stacey Lunsford will conduct a cost-benefit analysis and report back to the Board.
