COMMUNITY SERVICE OPTIONS

You are not limited to these choices; however the Court requires that all community service be completed through a Non-profit organization. Please confirm eligibility of any other organization prior to completing assigned service hours.

Participants are responsible to provide proof of completion of service to the Court. Proof must be in writing and on letterhead from the source where completed or the recipient may sign off on the form provided by the Court (Community Service Record Sheet) . It must include all hours of service and a description of service performed along with an authorized signature from the person supervising the service.
